About the course presenter

Nicholas Krul is a professional business social media trainer and coach, and holds a BSc Zoology degree from the University of Pretoria, with a specialization in Entomology (insects).

He is the dad to Riley (15) and Reid (12), who are both homeschoolers.

We will be studying the Arthropods unit from **The Good and The Beautiful**.

Follow this link for the unit sample:

<https://files.thegoodandthebeautiful.com/Science/Samples/Arthropods-combined-sample-08.2023.pdf>

- Each lesson will be presented online, and additional activities can be done at home between online sessions.
- All lessons will be recorded and made available to you upon request, for the duration of the course.
- If you join the co-op, you need to commit to 1hr 15min of time per session, for the lesson plus questions.
- The point of the co-op is to expose your kids to new and interesting learning opportunities, build community.
- Each family need to have their own course manual which you should buy from the Good and the Beautiful website (\$19.99 for the physical copy or PDF download).
- Each child will need their own printed journal. You must purchase & download one copy of the pdf per family from the Good and the Beautiful website, and print it as many times as you need.
- There are 2 journal options, one for Gr 3-6 (\$9.99 download) and one for Gr 7-8 (\$9.99 download).
- Get your course material and journals here: (scroll down to “Buy Downloads”)
<https://www.goodandbeautiful.com/collections/arthropods>
- All lessons will take place on Google Meet. The meeting link will be shared with you before each lesson.
- We will suggest a project presentation during this unit. Each child will have the opportunity to present their project at the last session.
